FAIR BALL

The Fair Ball held at the skating rink Thursday night was an unbounded success and netted the Fair committee a neat little sum. There were over 500 people present and every one had a royal good time. The ball was opened promptly at 9 o'clock by the Queen of the Fair who led the grand march. Miss Dunham, the Queen, was a beautiful picture in her robe of white and looked every inch the hostess as she swept down the floor to the strains of the stirring march music played by the Tucumcari orchestra. Every person present entered into the fair spirit and did their utmost to see that their neighbor had a good time. The elite of Tucumcari was out in force, the handsome gowns of the ladies forming a beautiful picture as they glided down the floor to the music of a dreamy waltz or a lively two-step. As the tired couples wended their way homeward in the wee small hours of the morning there was a unanimity of opinion, "The best dance ever held in Tucumcari."

Tonight the second of the series of dances will be held at the rink and in addition to the regular numbers on the program there will be a prize waltz with a handsome present to the champion waltzers. This is in place of the masked ball that was announced earlier in the week.

Benj. P. Brown of Mosquero, was in today to take the fair.

POLO GAME BETWEEN BELL RANCH AND TUCUMCARI RESULTED IN A TIE---3 TO 3

This Was Without Exception One of the Most Brilliant Games Ever Played In This City--With Honors About Even.

NARA VISA AND TUCUMCARI BREAK EVEN

The best polo game ever seen in these or any parts was held at the Fair grounds this afternoon between Tucumcari and Bell Ranch. After ten, six minute periods the game was called off with the score standing 5 to 5. Bell Ranch had things their own way for the first four periods, keeping the ball in the enemies territory all the time. Through the masterful playing of Hall they annexed two goals in the first period and added another to their total in the third. After that it was a battle royal until the tenth period. Tucumcari managed to score one in the fourth on a magnificent drive by Silas May and that was the end of the scoring until the tenth. In this period Schrittz took the place of Street and after two minutes of play made a clean drive down the field for a Tucumcari goal. With only a minute of play left and the game apparently lost for the home team Schrittz managed to break from the mass play with the ball in front of him. He managed to keep it well in front of him until within striking distance when a long stroke of his stick he landed the ball between the goal posts. By agreement between the captains it was decided to call the game a tie so as to give the base ball boys a chance at the field.

Final score 5 to 5.

The ball game started immediately after the completion of the polo game with Hess and Lynch pitching. There was a large crowd present and every one was pulling for Tucumcari to make it three straight. The line up with the exception of the pitchers was the same as yesterday.

The results of today's game was a tie in the first half of the eighth inning, the score being nine to nine.

Yesterday's ball game, while not as close as the game of the preceding day gave the 3,000 fans ample opportunity to get up and root. Owing to the late start that the boys got the game had to be called at the end of the fifth inning on account of darkness. The score at that time standing 8 to 5 in favor of Tucumcari. Heavy batting and sensational fielding were the order of the day. Each pitcher was touched up for seven hits in the five innings of play. By far the best feature of the game was the sensational catch of a long fly to deep center by Bebeau in the fourth inning. In the next inning Stewart robbed Lynch of a sure two-bagger by a sensational catch. These two feats were easily the attraction of the game and brought forth storms of applause from the spectators.

Game by Innings.

Willard led off for Nara Visa and flied to Whalen at short. McNeill grounded O'Neal to Hess, Yessler flied to Hess.

Whalen, the first man for Tucumcari laced a dandy three bagger to center and scored when Hatch hit a beauty through short. O'Neal hit a slow one to Lundy at short and reached first on it as Lundy fell to sleep with the ball in his hand. About then some one set an alarm clock going and Lundy woke up long enough to catch Hatch at the plate as he slid for home. Mordy and O'Neal executed a double steal,
